IOSH Working Safely

Who is Working Safely for?

Working Safely is for people at any level, in any sector worldwide, who need a grounding in the essentials of safety and health. It gives everyone at work an understanding of why they must 'work safely' and does it in an enjoyable way.

Working Safely covers...

- An outline of occupational safety and health.
- Defining hazard and risk.
- Identifying common hazards.
- Improving safety performance.
- Successful delegates are awarded an IOSH Working Safely certificate.

What results can I expect?

- Greater productivity, from fewer hours lost due to sickness and accidents.
- Improved company wide safety awareness culture and appreciation of safety measures.
- Active staff involvement to improve the workplace.
- Enhanced reputation within the supply chain.
